

NOTICE TO KKH FAMILY HOUSING RESIDENTS

SOLUTION GROUP PARTICIPANTS

Actus Lend Lease, the developer for the housing privatization project, and the Army Residential Community Initiative (RCI) Team are offering a chance for Coast Guard residents of Red Hill to join one of several Solution Groups. These groups will provide input to our partners regarding the type of services and facilities residents would like to see either improved upon and/or integrated within your existing KKH community, such as playgrounds, recreation centers, etc.

They are soliciting for 10 – 12 volunteers, both spouses and active duty members, for both the Enlisted and Officer groups listed below, and looking for ages 13 – 17 year old family members to participate in the Teen group.
